LINDA JONES | Regent, Court Regina Coeli #2063

"I first heard Jean speak at a CDA Retreat in a neighboring diocese. She was phenomenal! I knew that we must have her lead our retreat. Women from ten parishes in two dioceses attended. Many complimented us for bringing in such an excellent speaker and retreat leader. We all truly loved that day! I strongly recommend Jean for any event that calls for a vibrant, spiritual and inspirational speaker. If you want to engage your audience, Jean is the woman to do it!"
